How to Read

I collect one week's music app listening history; the location I listen, music type, listening time and my mood "M" is one music listening

Music Type   Pop: Location   Bed   Mood   Peaceful
             Rock: Balcony   Energetic
             RNB: Bathroom   Tired
                                      Living room   sleep
             Hip-Hop:
